ASX RELEASE

RESULTS OF 2019 ANNUAL GENERAL MEETING

Pyrolyx AG (ASX: PLX, **Pyrolyx** or the **Company**) advises the results of the Company's 2019 Annual General Meeting held in Munich, Germany on Friday, 7 June 2019.

The shareholders supported all management recommendations on items noted in the Invitation to the Annual General Meeting in voting with a minimum of 84.6% approval. The re-affirmed Supervisory Board consisting of David Steele, Bill Best, Bernhard Meder, Stephen Roberts and Michael Triguboff, was approved by over 90% of the registered votes.

The legal protocol in Germany requires that shareholders vote on the performance of each member of the management board and supervisory board in determining whether their actions should be ratified for 2018. Current and past members of the management board and Supervisory Board were discharged from their responsibilities with the exceptions of Niels Raeder, former CEO, Sven Eric Molzahn, former CFO and Alexis Gurdjian, former Chairman of the Supervisory Board.

As noted in the Invitation to the Annual General meeting, Pyrolyx has asserted claims in court proceedings against Mr Raeder and Mr Molzahn for repeated false statements made to the Supervisory Board, unauthorised and undisclosed payments and violation of disclosure obligations and, in the case of Mr. Raeder, concealment of conflicts of interest. Investigations against Mr Gurdjian as to whether he acted against the interests of the Company are continuing. The shareholders did not discharge Niels Raeder (93% voting against discharge), Sven Eric Molzahn (90% voting against discharge and also a vote of no confidence) and Alexis Gurdjian (89% voting against discharge).

German regulations allow a dissident minority shareholder, in this case, Niels Raeder, to request an examination of an identified transaction. The conversion of the warrants, which was approved by Mr Raeder in 2016, was described in the Company's ASX IPO Prospectus in June 2017, and three sets of the Company's lawyers since 2016 have confirmed that the transaction is in compliance with German law. Since the request was raised in person at the Annual General Meeting, without notice, those Australian shareholders constituting the majority of the Company's shares voted or eligible to vote could not participate for time difference logistical reasons, nor could those shareholders currently on the Supervisory Board or Management Board. Mr Raeder's request was thus granted.

The results are detailed as follows:

Election of the chairman of the meeting:

Mr. Bernhard Orlik passed in favour 67.48% against 32.52%

AGENDA

Item 2

Resolution on the discharge of the Management Board for the 2018 financial year

Niels Raeder	failed	in favour 7.40%	against 92.60%
