**Pyrolyx AG: Capital Increase fully subscribed**

Pyrolyx AG, Munich: Investors have fully subscribed to 17,000 new shares of the capital increase without subscription rights announced September 27th. The shares were issued at a price of 75.00 € each. The registration of the capital increase has been initiated with the Court of Munich (Amtsgericht München). The subscribed capital of the company is going to be 344,000 € after registration, the number of shares will rise to 344,000 accordingly.

The proceeds out of this capital increase are 1,275,000 € before costs.

Pyrolyx AG owns all intellectual property related to the Pyrolyx environmental technology, especially one patent application and specific process know-how. This unique, innovative process in the field of environmental technology is aimed at commercially recycling valuable raw materials such as Carbon Black, oil and gas from common rubber resins that are produced e.g. from old car tires.
