Pyrolyx AG:

- Capital increase without subscription raises up to 1,256,000 €

Pyrolyx AG, Munich (ISIN: DE000A0MFXR8; Primary Market at Duesseldorf Stock Exchange):

The management board has decided today - with approval of the Supervisory Board - to conduct a capital increase without subscription rights. This capital increase will offer up to 15,700 additional shares at a share price of € 80.00/share and dividend rights for 2012. This is an increase of up to 4.56 % re the existing capital.

The indicated share price is 8.8% above the calculated average of the final quotation of the last five trading days on the stock exchange of Duesseldorf prior to management's decision (i.e. 73.50 €). The proceeds of this transaction are up to 1,256,000 € before costs.

The funds will support the further structuring of the market entry.

Scutum Capital AG owns all intellectual property related to the Pyrolyx environmental technology, especially one patent application and specific process know-how. This unique, innovative process in the field of environmental technology is aimed at recycling valuable raw materials such as Carbon Black, Oil and Gas from common rubber resins that are produced from old car tires.
