

## **Pyrolyx AG – Debt financing subject to condition precedent agreed for first US plant**

Munich, June 17, 2017

Pyrolyx AG has announced that a debt financing agreement for \$US30 million has been signed with the help of Investment Bank Piper Jaffray & Co. (USA). The loan for the construction of the first production plant in Indiana, USA, bears interest of 7.25% p.a. and will mature in December 2028. The debt financing commitment is conditional on the availability of the equity required to finance the project.
